Branson began its transformation into a major tourist destination in 1983. You can rest assured that your first trip will be the first of many and Rooms101 will help you make the best of your time in Branson!

Tucked into the foothills of the Ozarks, Branson has the non-stop entertainment of a Las Vegas, with its own Strip. This seven-mile stretch is the home of live music, comedy shows, theme parks, shopping outlets and a hotel that will suit every taste and budget. Check out the many shows and stars before you arrive to secure the tickets you want. Some shows are limited engagement; some shows are year-round so make sure you have the right seats! You'll find a range of stars from Andy Williams, the Oakridge Boys, Pam Tillis and John Anderson, The Osmonds and many others from which to choose.

And there is plenty of shopping! Branson Landing features a scenic boardwalk along the 1.5-mile Taneycomo Lakefront. At the heart of the Landing is a vibrant town square terracing down to the \$7.5 million spectacular water attraction that features the first-ever merging of water, fire, light and music. You will be amazed by the dazzling interplay of water Fountains shooting 120-foot geysers and fire cannons blasting, all choreographed to light and music. The water and fire spectacle is a creation of internationally renowned Wet Design, the producers of world-class shows for *Downtown Disney*® marketplace in Orlando, *Universal City Walk*® in California and the *Bellagio*® in Las Vegas.

And, there's another side to this sleepy town. It's paradise for the outdoor enthusiast. The rolling hills offer 200 miles of trails for hiking, horseback riding and biking. The three scenic lakes are wonderful spots for fishing and water sports. There are many lake cruises to choose from for those who want to sit back and watch the beautiful scenery go by.
